

# Te Kura o Waikare

Taite 20 o Mahuru/Hepetema 2018

## Southern Bay of Islands Cross Country

Wow!!! What a day!!! I would like to thank Kerikeri Hire for donating the use of a digger to the kura to help clear the last bits of the track, Kawakawa Farm Centre for letting us borrow some stands and electrical rope, Kere George for bowling down the track with a digger after four years of growth, Clyde Meek for travelling up from Auckland at three different times to help the kura and tamariki out so this kaupapa was a success, all the whānau and staff that helped out with the working bee, donating kai and working the stalls. Last but not least thank you very much to the Eves whānau and Papa Chic for allowing us to use their paddock for this event. We made \$2084 from our day. You can view photos of the day on our website.

Some negatives of the day:

- Not enough whānau awhi to help with the stalls
- 3 injuries

Positives of the day:

- The amount of kura (!!) and tamariki that arrived to Waikare
- The Hangi was delicious
- Everybody enjoyed running the track and had a great day

After speakers stand we will have morning tea and then present 1<sup>st</sup> and 2<sup>nd</sup> for Kura Teina (0-4) and Kura Tuakana (5-8) with taonga and a certificate.

This will be a low key event this year which means it won't be as big as a few years ago. Whānau or Community are invited to come along and tautoko on either days.

After the presentation of taonga the Tuakana students will give a presentation of their haerenga to Urupukapuka Island. Following the presentations will be a movie – Moana Reo Māori.
