### Haerenga ki Waitangi.

The whole kura will be going to Waitangi on Monday and Tuesday. The outcomes we are wanting to gain from these haerenga are:

- 1/ To tautoko the rōpū representing the kura
- 2/ To observe the rōpū participating in these auspicious pōwhiri
- 3/ To grow the desire of our younger students to aspire to participate in future waka events.

- 4/ To achieve our Kura ā Iwi o Te Tai Tokerau collaborative goal for success which is to learn and participate in a variety of waka events.

The tamariki need to bring a packed lunch, water bottle, hat. They also need to wear proper uniform and be at kura the day before to be prepared for these haerenga. If not, they will be asked to stay home.

### Hīne Raumatī

In week 3, we will be enforcing the wearing of hats during outside times. Interval, Lunch times, sports times. We would prefer the kura hats are worn and will make exceptions if you are still waiting for a kura hat.

Our kura pool is open, tamariki need to wear proper swimming attire and have a towel. If tamariki have open sores they will not be allowed to swim.
